

## New authentic series for the PTE General

### October 2010

Pearson Longman has published *PTE General Skills Boosters*, the most up-to-date, accurate and useful PTE test preparation series, offering complete support for students in Greece who are taking the new PTE General<sup>1</sup> exam. Available for Levels 2 to 5 of PTE General, the *Skills Boosters* are a series of practice tests, which follow the format of the new exam with step-by-step guidance while offering complete preparation.

Written by the test developers themselves, the *PTE General Skills Boosters* enable students to easily understand the features and format of the real test through practising and answering authentic questions. Test tips, the Writing guide and model answers for each exam task type are also provided to improve learners' test-taking strategies.

*PTE General Skills Boosters* Teacher's books are packed together with an audio CD, which includes real exam questions as well as the complete practice tests with model answers provided.

*PTE General Skills Boosters* Levels 2 and 3 will reach the Greek market in November 2010, while Levels 4 and 5 will be available in February 2011.

For more information or to see samples of the *PTE General Skills Boosters*, contact the Pearson Longman Hellas office (tel.: 210 9373170 / email: [info.elt@pearson.com](mailto:info.elt@pearson.com)).
